11. DESCRIPTION OF EXTRAORDINARY OCCURRENCE:

On the above date at 0950 hrs. Officers Matthew Danner and Steve Singleton were attempting to change Inmate Tyrique Riley (cell A1-5) out of a suicide smock into a uniform so he could be transported to the Harrisburg Hospital. Riley was to be transported due to a change in his mental status. Riley became combative and was placed in handcuffs behind his back and leg irons. I arrived to find Riley still grabbing at Officer Danner's hands, spitting at staff and refusing to calm. I ordered the restraint chair to hold Riley until an ambulance could be summoned to transport him due to his combative behavior. As I, Sgt. Scott Lewis, Sgt. Keith Biter and Officers Danner and Singleton were placing him in the restraint chair Riley was kicking in the direction of staff. Riley's actions stopped and I noticed it appeared he was not breathing; I attempted a sternum rub with no effect. I called a medical emergency and immediately use the restraint chair to take Riley to Main Side Medical. Once there I placed the AED on his chest and had 911 called (1004hrs) for an ambulance. The AED reported "Shock Advised" I administered the one shock and CPR was started. Prime Care staff along with security staff continued relieving each other doing compressions until the Life Team Ambulance crew arrived (1010hrs) and took over. Life Team continued care and departed the Prison (1049 hrs.). The incident on A-Block is visible on camera A-1-to-front from 0950:16 to 1000:35 hrs. During this incident Officer Danner was scratched by Riley on both hand/wrists. I took one digital photograph of his injuries and he was assessed by Prime Care Medical staff.

At 1220 hrs. Riley was admitted to the Hospital: Room MSICU-15 the nursed station phone number is 717-782-5380. Warden Greg Briggs was notified of this incident. Due to this room not having a bathroom two officers will supervise this inmate. The AED that was used was turned over to Warden Briggs.

 SUBJECT: Riley, Tyrique 94160
 DATE: 6/26/19

On the above date at approximately 0959 G. Danner and myself went to A-1-5 to take Riley to the hospital. We entered the cell and told Riley to remove his smock and put on a uniform. Riley became combative towards staff. The smock was removed and we attempted to put a uniform on Riley. Riley fought and would not let the uniform be put on him. Riley was then taken to the floor and was handcuffed and shackled. Riley was then placed in the restraint chair and kept fighting and kicking to keep from being restrained. Riley then went limp. Riley was taken to medical where CPR was performed. Riley was then transported to the hospital.

On the above date at approximately 0956 I was told to take a restraint chair to A block. When I arrived at Riley's cell it appeared the inmate was resisting the officers trying to restrain him. Once we placed him in the restraint chair he became unresponsive and a medical emergency was called by Captain Kahr. We took the inmate in the restraint chair to medical. Once in medical he was removed from the chair and CPR was started and an ambulance was called. AED was placed on Riley and only one shock was advised. CPR continued and an ambulance crew arrived. I continued to help with CPR until the inmate was taken out of medical by the ambulance crew and transported to hospital.
